

# Invitation

## 2<sup>nd</sup> International Conference on Smart Energy Systems and 4<sup>th</sup> Generation District Heating

27-28 September 2016

AALBORG - DENMARK

*On behalf of the 4DH Research Centre, we are pleased to invite you to the 2<sup>nd</sup> International Conference on Smart Energy Systems and 4<sup>th</sup> Generation District Heating.*

### Introduction to the conference

The aim of the conference is to present and discuss scientific findings and industrial experiences related to the subject of Smart Energy Systems and future 4<sup>th</sup> Generation District Heating Technologies and Systems (4GDH). The conference is organised by the 4DH Strategic Research Centre in collaboration with Aalborg University. Please read more on the website [www.4dh.dk](http://www.4dh.dk).

### Dates and venue

The conference takes place on **27-28 September 2016** at **Nordkraft, Teglgårds Plads 1, 9000 Aalborg, Denmark**.

### Programme

The conference will focus on Smart Energy Systems and future 4<sup>th</sup> Generation District Heating Technologies and Systems. Further details on presentations can be found in the programme, which will be available at [www.4dh.dk/events](http://www.4dh.dk/events).

### Conference fee and registration

For participants not part of the 4DH consortium, the conference fee including book of abstracts, breakfast, coffee and lunches is **240 EUR**. Including conference dinner, the fee is **300 EUR**. Please note that VAT may be added to the fee. For 4DH consortium members, the conference is free. All participants should register at [www.4dh.dk/events](http://www.4dh.dk/events). Deadline for registration is **31 August 2016** and registration is binding.

### Accommodation

For accommodation in Aalborg, we recommend contacting one of the following hotels as soon as possible:
